

Reach – non regulatory announcement

22 April 2024

Solid State plc

(“Solid State”, the “Group” or the “Company”)

Capital Markets Day

Solid State plc (AIM: SOLI), the specialist value added component supplier and design-in manufacturer of computing, power, and communications products will host a Capital Markets Day on Wednesday 22 May 2024.

Solid State’s CEO, Gary Marsh, and CFO, Peter James, together with other senior members of the management team, will;

- showcase the Company’s specialist electronics across its Systems and Components divisions
- expand on product development & design
- and, illustrate a typical customer lifecycle

The Group targets sectors including defence, aerospace, industrial, medical and transportation. The presentation will include a live demonstration of the Company’s product offering and insights from customers and partners.

In person attendance at the Capital Markets Day is for institutional investors and analysts only. The CMD will be hosted by Cavendish at its offices at 1 Bartholomew Close, London EC1A7BL. Places are limited so if you would like to attend in-person please contact IR@cavendish.com.

Presentations will start at 10.30am and will run until 12:30pm with an opportunity for Q&A and lunch afterwards. A copy of the presentation will be available on Solid State’s website after the event.

A live streamed webinar of the Capital Markets Day is available to all investors. Online attendees can register using the link below:

Notes to Editors:

Solid State plc (SOLI) is a value added electronics group supplying commercial, industrial and defence markets with durable components, assemblies, manufactured units and power units for use in specialist and harsh environments. The Group's mantra is - 'Trusted technology for demanding environments'. To see an introductory video on the Group - <https://bit.ly/3kzddx7>

Operating through two main divisions: Systems (Steatite, Active Silicon & Custom Power) and Components (Solsta & Pacer); the Group specialises in complex engineering challenges often requiring design-in support and component sourcing for computing, power, communications, electronic, electro-mechanical and opto-electronic products.

Headquartered in Redditch, UK, Solid State employs approximately 400 staff across the UK and US, serving specialist markets with high barriers to entry in industrial, defence and security, transportation, medical and energy.

Solid State was established in 1971 and admitted to AIM in June 1996. The Group has grown organically and by acquisition - having made three acquisitions in the last four years.
