Notes to Editors:

Solid State plc (SOLI) is a leading value added group of companies providing specialist design-in and manufacturing services to those acquiring industrial/rugged computing products, battery power solutions, secure communications systems and electronic components for use in harsh environments.

Serving niche markets in oil & gas production, medical, construction, security, military and field maintenance, Solid State acts as both a distributor to OEMs and bespoke manufacturer of specialist units to clients with complex requirements.

Headquartered in Redditch, Solid State employs over 150 staff across five sites. Solid State operates through two main divisions: Solid State Supplies and Steatite.

Solid State was established in 1971 and admitted to AIM in June 1996.
