Notes to Editors:

Solid State plc (SOLI) is a leading value added group of companies providing specialist distribution, design-in and manufacturing services to those acquiring computing, power and communications products; and electronic and optoelectronic components; for use in harsh environments.

Serving niche markets in oil & gas production, medical, construction, security, military and field maintenance, Solid State acts as both a component supplier to OEMs and bespoke manufacturer of specialist units to clients with complex requirements.

Headquartered in Redditch, Solid State employs over 200 staff across the UK with a sales office in the USA. Solid State operates through two main divisions: Manufacturing and Value Added Distribution.

Solid State was established in 1971 and admitted to AIM in June 1996.
